17.	University of Agricultural Sciences, Dharwad, Karnataka	Agril. Education
18.	Gujarat Agricultural University, Navsari, Gujrat	Agril. Education

In the present days of specialization, inter-dependence among the institutions and organizations has got much significance and relevance. Thus university and RCF signed MOU in 1995 to implement extension project around Thal.

The University formally entered into a Memorandum of Understanding with one of the largest Steel Industry, ISPAT Industries Ltd., Dolvi (2002). The MOU was signed between the two organizations to provide technical know-how and other related guidance to convert ISPAT's Geetapuram works into a showpiece of Konkan Biodiversity.

The University and IPCL Agro-farm Pvt. Ltd., Nagothane, Dist Raigad have entered into Memorandum of Understanding on 23rd September 2004 for joint project in extension training i.e. Gardner Training based on technical skill development.
